New Year ReVolution

We kicked off this year foregoing the traditional "New Year Resolution" in favor of a New Year REVOLUTION! With the chance to win 1-month of free classes, students submitted their pledges to revolutionize their body, life, or the community. Let's continue the momentum on your own revolutions.

The winner of the ReVolution is Allison D. Who's revolution is "to embody the movement inside me."

Keep an eye out for future promotions to show all of you how much we appreciate your support!

Inspired by Maurice Sendak's Where The Wild Things Are, this creative immersion seeks to conjure the wild and mythic beings born of land, home and the unspoken murmurings of the adult subconscious. We will call them forth through dance, voice and hands-on making.. Rumpus-makers will explore physical theater, sonic explorations, story building, collaboration, and gritty puppet-craft.
